HILLSONG CHURCH PLANTS CAPE TOWN CAMPUS

Hillsong Church, known affectionately as the church that never sleeps, and also the bedrock from which the well known music ministry Hillsong and Hillsong United springs, is in the process of planting a brand new church in the city of Cape Town. The church, founded by Brian and Bobbie Houston 25 years ago in the suburbs of Sydney's Hills district, announced its plans to establish a church in Cape Town following successful plants in both Kiev (Ukraine) and London (UK).

The plant will be headed by pastors Phil and Lucinda Dooley. They have been integral parts of the Hillsong Church and oversaw the leadership of the youth ministry in Sydney for 12 years as well as holding leadership positions in the Worship & Creative Arts and Women's Ministries. Phil and Lucinda have 3 kids and have recently relocated to Cape Town to establish the church. "Our passion is to raise up a Church that will be a blessing to the people of Cape Town, bringing the hope of Jesus Christ to the lives of individuals from every part of society" says Phil. "We cannot wait to meet those who are interested in being part of the new church and begin this adventure together."

"Hillsong Church is for any kind of person. We invite anyone to join us for one of our services commencing in June."

Hillsong Church Cape Town will launch services on Sunday June 15 in the Cape Town International Convention Centre (CTICC).

Our service times will be 9am and 6pm. Our first 9am morning service will be a time to celebrate and give praise to God as we commence our new church. We will also take time to pray for the city of Cape Town and for the nation of South Africa.

In Loving Memory of Maria Chapman

At approximately 5pm on the afternoon of Wednesday, May 21st, Maria Sue Chapman, 5 years old and the youngest daughter to Steven and Mary Beth Chapman, was struck in the driveway of the Chapman home in Franklin, TN. Maria was rushed to Vanderbilt Childrens Hospital in Nashville, transported by LifeFlight, but died of her injuries there. Maria is one of the close knit family's six children and one of their three adopted daughters. The Chapman family is grateful for the incredible outpouring of love and support at this difficult time.

Phil. 4 : 13

No matter how religious you may or may not be, this can give you chills .Phil. 4:13 states: 'I can do all things through Christ which strengthen me. 'Here's the story: A young man who had been raised as an atheist was training to be an Olympic diver. The only religious influence in his life came from his outspoken Christian friend. The young diver never really paid much attention to his friend's sermons, but he heard them often. One night the diver went to the indoor pool at the college he attended.

The lights were all off, but as the pool had big skylights and the moon was bright, there was plenty of light to practice by. The young man climbed up to the highest diving board and as he turned his back to the pool on the edge of the board and extended his arms out, he saw his shadow on the wall. The shadow of his body, was in the shape of a cross. The man felt a strange feeling, like someone was speaking to him.

Instead of diving, he knelt down and finally asked God to come into his life. As the young man stood, a maintenance man walked in and turned the lights on. The pool had been drained for repairs. Yes, I do Love Jesus. He is my source of existence and Savior. He keeps me functioning each and everyday. 'Without Him, I will be nothing. Without him, I am nothing but with Him I can do all things through Christ that strengthens me. 'Phil 4: 13.This is the simplest test. If you Love Jesus, and are not ashamed of all the marvelous things he has done for you.
