

# Do you WANT to use film scenes or show films during church activities?

CCLI Africa is proud to announce that through an agreement with hundreds of producers, like Dreamworks, Disney, 20th Century Fox and Universal the CVLI (Church Video License) provides legal coverage for churches and for other ministry organisations to show DVDs and video cassettes of motion pictures. ## NOW YOU CAN

1. Use selected movies to illustrate sermon points.
2. View the latest videos at your Sunday schools and youth groups.
3. Use videos for teaching and training for your educational classes.
